#1 IN THE NATION FOR QUALITY PATIO DOORS*

Preferred and Premium Sliding Glass Door

ALUMINUM IMPACT & NON-IMPACT

PGT WinGuard[®]
ALUMINUM

PGT ClassicVue Max[™]

Built to maximize your view.

INTRODUCING PGT® ALUMINUM SLIDING GLASS DOORS.

OUR DOORS AT-A-GLANCE

PREFERRED SLIDING GLASS DOOR

Homeowners turn to this door for its exceptional strength, safety, and beauty.

ClassicVue Max™ SGD670 (Non-Impact)

WinGuard® Aluminum SGD770 (Impact-Resistant)

PREMIUM SLIDING GLASS DOOR

This next level design incorporates the functionality of the Preferred Sliding Glass Door and delivers an elegant, architectural style that is reminiscent of a French Door.

ClassicVue Max™ SGD680 (Non-Impact)

WinGuard® Aluminum SGD780 (Impact-Resistant)

Both doors are available with either non-impact or impact-resistant glass. The non-impact version, better known as ClassicVue Max™, is engineered to last. WinGuard® Aluminum, our impact-resistant line, enhances peace-of-mind. It helps protect your loved ones from severe weather, would-be intruders, and noise pollution. Plus, impact-resistant products can help lower your insurance premium while the overall value of your home increases.

DOORS PUT TO THE TEST

All PGT® products are continuously tested, certified, approved, and rated by the industry's most respected, accredited organizations including Miami-Dade Notice of Acceptance, AAMA Tested/Keystone Certified, Florida Product Approval, National Fenestration Rating Council (NFRC), and Sound Transmission Class (STC).

STANDARD FEATURES

Both lines come standard with a white frame, ideal for new construction and remodeling projects. In terms of glass, ClassicVue Max™ is equipped with tempered glass while WinGuard® Aluminum comes standard with laminated glass.

- Matches your home's style with multi-panel, by-pass, or pocket configurations
- Dual-point locking system provides added strength and security
- Heavy-duty tandem rollers offer smooth fingertip operation
- Hidden installation/assembly screws provide a sleek, clean appearance
