

FIBERGLASS FULL-LINE CATALOG VOLUME 12

Quality components create the total package.

BHI Doors is a collection of best-in-class components—doors, doorglass, frames, astragals, weather stripping, thresholds, locksets, and hardware—to create entry systems with enduring good looks and superior performance. Our systems are tested to the HVHZ (High Velocity Hurricane Zone Standards) the most stringent hurricane codes ANYWHERE in the US. Great craftsmanship, beautiful glass patterns, a wide range of finish and hardware options, superior construction, and energy-saving features come together in a wide range of entry systems that enhance the value of your home and add beauty to everyday living.

All door systems are sold unfinished.

BHIDoors Commitment

All products featured are in stock (unless marked special order).

All products are Florida Building Code Compliant, hurricane structural rated and/or hurricane structural rated + impact rated, and also meet the 2014 energy codes unless marked otherwise. All components are backed by the manufacturer's warranty.

BHI Doors continues a commitment to service excellence, to bring enduring beauty and value to exterior doors throughout Florida. – established in 1954.

ODL® DOORGLASS

It's the doorglass that makes the difference. Add beauty to and increase the perceived value of your home with ODL's innovative line of doorglass options.

PLASTPRO® FIBERGLASS

Best-in-class top-quality doors with offers exceptional durability, energy benefits, sound proofing, fire rating and structural performance.

PF FRAMES™

Plastpro's PF (rigid poyfiber formulation) Frames guarantee a long-lasting, rot-free entryway that will maintain its integrity today, tomorrow, and for many years to come.

WINDSERT™ VENTILATING DOORS

Let in the breeze without compromising security with an operational window insert/door combo with a security screen.

O-I ON® / SFAI MAX® WEATHER STRIPPING

Weather stripping is an integral part of keeping in the cool air and keeping out the bugs, as well as supporting better energy efficiency.

TRII FNNNIUM™ MULTI-POINT LOCKS

Create the ultimate security door system for fiberglass doors. Multiple latches and bolts prevent forced entry and create additional weather sealing.

YALE® RESIDENTIAL LOCKSETS

Combining years of engineering refinement with fine craftsmanship, Yale's collections of locksets offer superior functionality, easy installation, and secure performance.

BHI HINGES

A quality hinge requires attention to all details, inside and out. Our hinges are especially designed for highperformance and tested for long lasting endurance in the Florida environment.

DLP THRESHOLDS & ASTRAGALS

We believe that your home is your safe haven. For additional security and weather protection our systems use DLP thresholds and astragals.

A majority of our system components are manufactured in the USA.

Hurricane Code Compliance Guide

FOR IMPACT DOOR OFFERINGS SEE PAGES 14-57.

●IMPACT

Hurricane Code Compliance Guide

FOR NON-IMPACT DOOR OFFERINGS SEE PAGES 58-123.

NON-IMPACT

Impact units have structural ratings and may be used in the impact zones HVHZ and/or WBD without shutters required.

Non-impact units have structural ratings and may be used in the impact zones HVHZ and/or WBD when and where hurricane impact shutters are permitted by code.

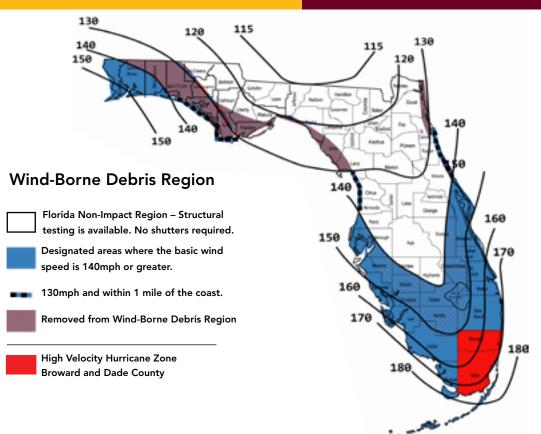

See impact testing video.

For code approvals and specific design pressure ratings, please see pages 142-143.

Some doors are approved for HVHZ for in-swing application but may have overhang requirements. Some systems with very high design pressure ratings may require surface bolts.

BHI does not warrant the suitability of any product for any specific use.

Our expertise in Florida and High Velocity Hurricane Zone (HVHZ) building codes means you can trust **BHI** Doors systems to comply with the unique requirements needed for hurricane code compliance.

For code approvals and specific design pressure ratings, please see pages 142-143. Some doors are approved for HVHZ for in-swing application but may have overhang requirements.

BHI does not warrant the suitability of any product for any specific use.

Energy Code Compliance Guide

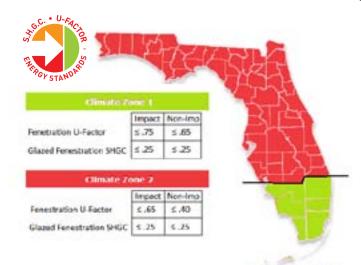

BHI and its suppliers of major fenestration components have made it a major focus and joint effort to comply with the newly implemented 2014 Florida Building Code - 5th Edition Energy Conservation.

Groups of products that meet the minimum energy standards for both solar heat gain coefficient and U-Factor in both climate zones will display this logo at the top of the page.

Products that DO NOT meet the minimum Energy standards will display this logo. —

2014 Florida Energy Efficiency Requirements

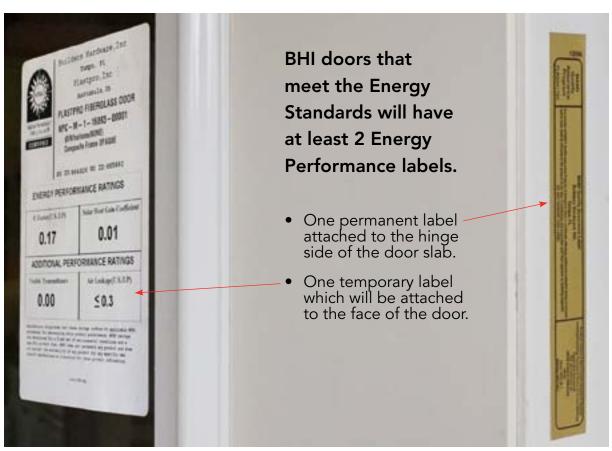

There are also exemptions for products that DO NOT meet the energy standards

under the Prescriptive requirements method of compliance that allows one glazed fenestration per dwelling unit of up to 15 square feet "of glazed fenestration" to be exempt from the U–factor and SHGC requirements R402.1.(1), and also one side hinged opaque door assembly up to 24 square feet to be exempt from U–factors (Section R402.1.(.3 & .4)). If using this exemption, doors bearing this mark may be used as single door units. Other exemptions for doors bearing this mark can apply when using whole house energy engineering.

Energy Code Compliance Guide

Labels will have specific certified products directory (CPD) numbers listed. These are the numbers listed in the certified products directory of the National Fenestration Rating Council (NFRC). These CPD numbers listed under BHI are also listed with our third party quality assurance provider National Accreditation Management Institute (NAMI) for thermal quality assurance compliance.

Optional Specific Label:

Builder Hardware Inc,
Plast-pra/Nanya Plastic FL 15210.1
Manufacturer Stipulates Conformance to:
TAS 201,202,203 - ASTM E84
DP rating +75-75 PSF OPAQUE Unit INVOUT
Max test sixe 3/0 x 6/8 X FL Cert#1773 ANS#0851

Specific Labels are used when exact design pressure ratings are required for specific size door configurations, within our test matrix qualifications.

BHI and its suppliers of major components are Energy Star Partners. Energy Star Certified products are available upon request.

CUSTOMIZE YOUR DOORGLASS

DOOR STYLIZER BEFORE AND AFTER

Customize Your Doorglass

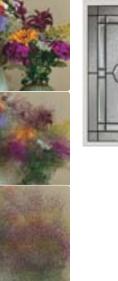

When you want something uniquely your own.

We can customize just about any aspect of our designs caming, texture, shape, size, design, pattern and more. Available for Impact and Non-Impact glass.

Create your own design! For help, please call Custom Glass Customer Service Line at 1-800-253-3900.

Nickel Caming, Modified Bevels,

Caming & Finish

Brass Caming

Our custom program lets you choose the caming finish that coordinates with your door hardware, fixtures, or furnishing—even when it doesn't come standard.

Texture & Privacy

Love a design, but wish it offered more privacy? We can swap out glass textures to make almost any design more opaque or transparent.

Shape & Size

Possible

Modifications

Need a size that doesn't come standard? Tell us what you need and we'll design just about any custom size or shape you need.

Design & Pattern Create your own unique design.

Alter one of our doorglass designs or create one that's completely your own. We're happy to look at your ideas and find ways to bring them to life in doorglass.

Door glass frame options.

Your Door Stylizer

SCAN WITH YOUR SMARTPHONE

A tool that allows homeowners to visualize how various ODL® Doorglass options will look in their home entryways. YOUR DOOR STYLIZER™ uses a guided design process that helps homeowners customize their entryway by replacing glass, adding glass or replacing their door. Once the user has created their dream entryway they can save, email, share via social media or print their project to make doorglass ordering a snap.

Create your dream entryway.

Explore, get inspired, and create the entryway that is made for your home.

Nature and artistry unite

Through the artistry of Julian and Karin Mesa, BHI Doors offers a unique line of doorglass inserts styled for Florida living. Enhance your door opening with a beautiful etched or carved design. Etched glass displays traditional sandblasting.

- All designs are etched on Low-E glass.
- Designs are sandblasted on the interior side of a doorglass insert.
- All image views are from the inside, looking outside. Specify reverse view, if desired.
- Custom Designing is available. Memorial designs, landscape designs, portrait designs, pet designs. You imagine it...we create it.
- All designs are available with blue tinted glass.

Nature and artistry unite

Through the artistry of Julian and Karin Mesa, BHI Doors offers a unique line of doorglass inserts styled for Florida living. Enhance your door opening with a beautiful etched or carved design. Etched glass displays traditional sandblasting. Carved glass unites sandblasting and additional carving in three-dimensional designs of unique beauty and texture.

- All designs are available in both etched or carved glass.
- Designs are sandblasted on the interior side of a doorglass insert.
- All image views are from the inside, looking outside. Specify reverse view, if desired.
- Custom Designing is available. Memorial designs, landscape designs, portrait designs, pet designs. You imagine it...we create it.
- All designs are available with blue tinted glass.

HURRICANE PROTECTION

NON-IMPACT

WINDSERT DOOR SYSTEM

NON-IMPACT WINDSERT DOOR SYSTEM

Ventilating Doors

This product by DLP Industries is an operational window insert/door combo. When the window is open, fresh air is introduced into the home, eliminating the need for a screen door.

- Perfect for beach side residents
- Excellent for condominium doors, patio doors, cabana bath doors, and side garage doors
- Replaces old jalousie style doors
- Manufactured in Florida

Yale Residential Securities offers a complete range of lockset styles and finishes perfectly suited to complete your BHI Doors exterior system.

Combining years of engineering refinement with fine craftsmanship, Yale continues the high standards set forth by Linus Yale in the mid-19th century. Three collections of locksets offer superior functionality, easy installation, and secure performance. All Yale locksets are backed by a lifetime limited finish and mechanical warranty.

Keyless entry made easy.

INSIDE VIEW

This keyless entry can be used as a stand alone lock or as part of a wireless home control system.

HARDWARE & COMPONENTS LOCKSETS

TRILENNIUM™ Multi-Point Locking System

Trilennium Locks

Security. Strength. Reliabilty. Performance.

One solid unit with three latches based on the strength of patented I-Beam construction for reliable, proven performance. Operating as one,

MODERN Shown in Oil Rubbed Bronze

all three latches engage when the door is closed. One movement of the thumbturn or key activates all three deadbolts. Each latch is a deadbolt and adds high-performance security.

- All BHI Door units use stainless steel mechanisms and strikes
- Patented Strike Rollers and latches draw the door panel into perfect alignment with the jamb for a tight seal with no deflection
- A single downward turn of the interior handle releases all three deadbolts
- Keying available
- Manufactured in the USA

SINGLE DOORS

DOUBLE DOORS

Ask us about custom sizes.

SWINGING SIDELIGHT

Consider a pre-hung door with a sidelight that opens.

through your front doorway much easier!

A swinging sidelight makes moving furniture

Contains everything you need to stain one prehung door and two sidelights or one double door unit.

- Add increased protection and durability to the life of your Plastpro Fiberglass Entry Door.
- New water-based top coat is environmentally friendly and allows faster drying times.
- Special formula offers long lasting vibrant colors.
- Easy-to-Use for the Do-It-Yourselfer and Professional Painters
- Designed exclusively for Plastpro Fiberglass door

For information on how to stain a door, please visit http://www.buildershardwareflorida.com/News/Resources.aspx

BHI SALES KIT

Our new Perspectives line was designed with considerations of views and viewpoints from around the world. Textures, colors, patterns, terrain, objects, cultural influences—all led to this diverse collection of privacy glass styles for your entry or patio doors.

Perspectives uses textures and patterns that provide privacy, creating a dynamic and beautiful play of shadow and light.
